

Audio Technica ATH-AD500 Speaker Assembly Replacement

This guide serves as a prerequisite guide for many of the other installation guides.

Written By: Melanie Reis

INTRODUCTION

This guide will help you disassemble the headphones.

TOOLS:

- [Phillips #1 Screwdriver](#) (1)
-

Step 1 — Speaker Assembly

- Remove the ear pads by peeling them away from the grill.

Step 2

- Remove all four 1cm screws on the inside of the headphone using a #1 Phillips head.

Step 3

- Remove the speaker from the grill by pulling it out.

 Remove the speaker carefully so you do not rip the wires out.

To reassemble your device, follow these instructions in reverse order.
